

Mathematics

Note

Year 7 -11 students are set 'Hegarty Maths' Homework through the website www.hegartymaths.com and therefore should be familiar with this platform.

Instructions

Please visit www.hegartymaths.com and click 'student log in' in the top right hand corner of the page. This page should appear on your screen

The screenshot shows the Hegarty Maths website header with the logo and two buttons: 'Student log in' (green) and 'Teacher log in' (blue). The main content area has a blue background with mathematical icons. A white login form is centered, titled 'Enter your details' with the subtitle 'Logging into George Salter Academy. Not your school?'. The form contains fields for 'First name', 'Last name', a dropdown menu for 'What's this for?' (set to '1'), a dropdown for 'January', and a dropdown for '2016' (with 'What's this for?' below it). A blue 'Next' button is at the bottom of the form.

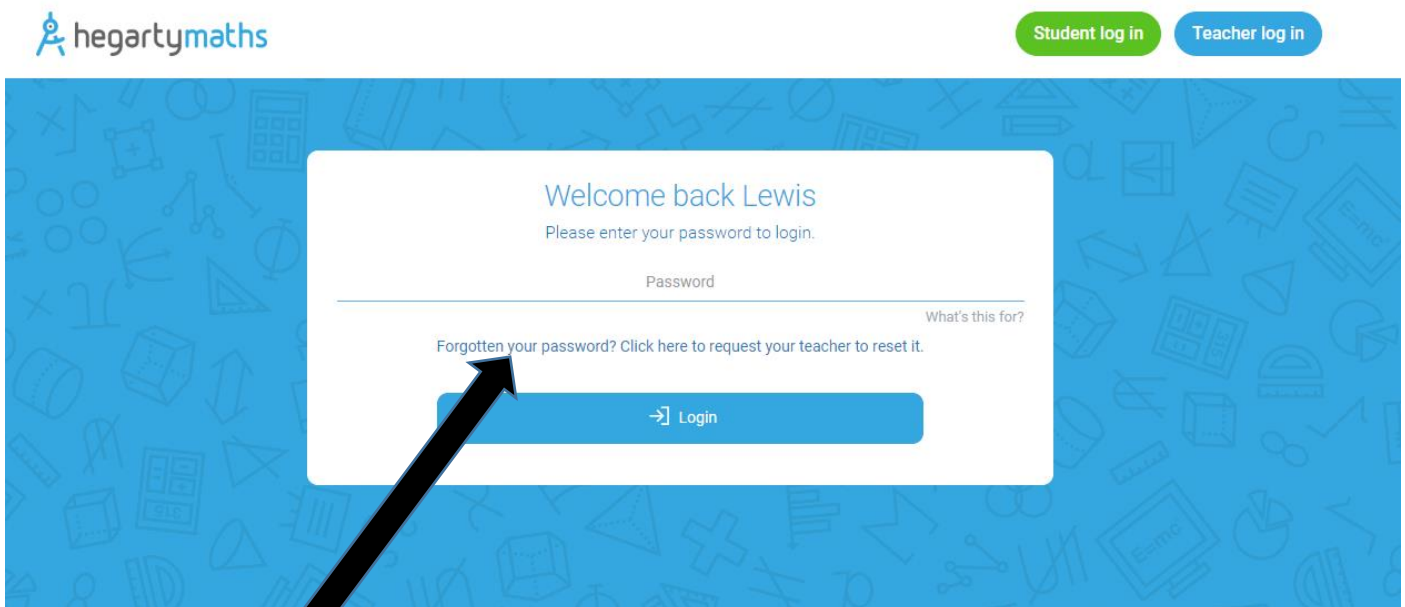

Login

The first time pupils login to 'Hegarty Maths' they will be asked to create a password. Please make a note of this in your student planner as it will be required for every further login.

Forgotten Password

Go to the website 'Hegarty Maths' → Click 'Student login' → Enter student details and click 'next'.

This page will then appear.

The screenshot shows the Hegarty Maths website header with the logo and two buttons: 'Student log in' (green) and 'Teacher log in' (blue). The main content area has a blue background with mathematical icons. A white login form is centered, titled 'Welcome back Lewis' with the subtitle 'Please enter your password to login.'. The form contains a 'Password' field and a dropdown menu for 'What's this for?'. Below the password field is a link: 'Forgotten your password? Click here to request your teacher to reset it.'. A blue 'Login' button with a right arrow is at the bottom of the form.

Please click 'forgotten your password? Click here to request your teacher to reset it.'

Your teacher will be notified and reset your password at the earliest convenience.

Completing set tasks

Once logged in to Hegarty Maths you can find tasks set by the teacher here

Hi there Lewis,
Here is how you have been working on HegartyMaths this year!
Remember to always work hard and never give up.

Skill performance summary

925 Skills

100% 70-99% 0-69%
Not done

Note
There are 925 videos and quizzes for pupils to master

Once you have clicked on 'My tasks', you will see a list of tasks set by the teacher. E.g

Due date	Teacher	Task	Class	Set	Lesson score / attempts
09:19 Thu 5th Mar 20	Rippington	84 - Find percentages of amounts 1 (common % non-calc)	11bc/Ma4	19 days ago	Start task
11:08 Mon 16th Mar 20	Rippington	418 - Mean from frequency tables (2)	11bc/Ma4	8 days ago	Start task

Click start task.

Pupils will then watch the high quality Hegarty Maths videos which accompanies a short quiz.

Note

There are 925 videos and quizzes for pupils to access, they can do this by clicking on the 'choose lesson' tab or searching specific topics in the search bar.

Furthermore in the revision tab there are two more options;

'Fix up 5' - 5 questions aimed at weaknesses.

'MemRi' - These are questions on mixed topics to aid retention.
