

## GEORGE SALTER ACADEMY ENRICHMENT NEWSLETTER

ISSUE | 1 | SUMMER | 2020

### Enrichment

Our students have shown an excellent commitment and dedication to enrichment activities at GSA this academic year. Students have participated in activities ranging across the curriculum. It is extremely refreshing to see the variety of different activities that our students are keen to get involved with, developing not only their academic skills, but their personal and social skills. Throughout this academic year; students have had the opportunity to participate in a range of breakfast, lunch and after school clubs; attend numerous trips; experience a variety of guest speakers and get involved in a wide range of interhouse activities and competitions.

The students of GSA have yet again over achieved with their High School Musical Performance. Drama teacher Mrs Clark has said "The final performances were testament to the outstanding work ethic shown by the cast over the last six months and was a fantastic celebration of their talents through the arts.

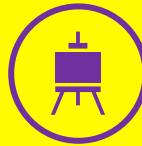

The performing arts department would like to thank all their students for their amazing commitment, dedication and hard work".

We are celebrating the amazing news that four of our students have successfully auditioned for a place within the prestigious National Youth Theatre. Tyrese Haynes (16), Louis Elsmore (17), Chenai Murray (14) and Abi Otesanya (14) will now undertake a weeklong remote online course with professionals from NYT followed by access to professional auditions, workshops, mentoring opportunities and castings until the age of 26.

**Student Quote** "I love how the teachers push us to do our best and how much of a variety of clubs there are at GSA"

## Inter-house

Our recent development of the inter-house programme has seen numerous inter-house competitions taking place. It has been excellent to see so many students engaged, with so much talent shining through. Inter-house competitions have included; Basketball, Netball, Trampolining, Sport Relief, Poetry and The Staff Quiz.

## Trips / Guest Speakers

Cultural capital is a key part of our curricular at George Salter Academy. To name a few, this year has seen us visit The Etihad Stadium to watch a Manchester City Champions League fixture; an actor visited the English department at GSA to perform Jekyll and Hyde and Gothic Tales to numerous year groups and a number of Year 8 and 9 students attend an outdoor adventurous activities trip to PGL. Further to this, our Year 11 Geography students visited Carding Mill Valley for their Rivers Fieldworks and the Charge Dance company performed at Dynamic Youth at The Arena Theatre and Dance Fest at the Matrix Theatre.

## Up Next...

The new academic year will start with our GSA Enrichment Fair. This will allow students to visit the stalls of all the different subjects, providing them with the information of what extra-curricular clubs; trip; guest speakers and inter-house competitions will be taking place. The new school year will see more clubs, more trips, more guest speakers and more exciting opportunities for all students to take part in.
