## Roles and responsibilities

This section of our Centre Policy outlines the personnel within George Salter Academy who have specific roles and responsibilities in the process of determining teacher assessed grades this year.

<b>Roles and Responsibilities</b>
<p>This section gives details of the roles and responsibilities within our centre:</p> <p><b>Head of Centre</b></p> <ul style="list-style-type: none"> <li>• Our Head of Centre, Adrian Price, will be responsible for approving our policy for determining teacher assessed grades.</li> <li>• Our Head of Centre has overall responsibility for the academy as an examinations centre and will ensure that clear roles and responsibilities of all staff are defined.</li> <li>• Our Head of Centre will confirm that teacher assessed grade decisions represent the academic judgement made by teachers and that the checks in place ensure these align with the guidance on standards provided by awarding organisations. We will ensure a robust internal quality assurance process has been produced and signed-off in advance of results being submitted.</li> </ul> <p><b>Senior Leadership Team and Heads of Department</b></p> <p>Our Senior Leadership Team and Heads of Departments will:</p> <ul style="list-style-type: none"> <li>• provide training and support to our other staff.</li> <li>• support the Head of Centre in the quality assurance of the final teacher assessed grades.</li> <li>• ensure an effective approach within and across departments and authenticating the preliminary outcome from single teacher subjects.</li> <li>• Produce the 'Summer Grades 2021 Approach to assessment guide' to ensure staff have a clear understanding of the internal/external quality assurance processes and their role within it. This will help support teachers within their department to make consistent judgements about student evidence in deriving a grade.</li> <li>• ensure all staff conduct assessments under the appropriate levels of control with reference to guidance provided by the Joint Council for Qualifications. Teachers will be provided with the information required to make accurate and fair judgments.</li> <li>• ensure that a Head of Department Checklist is completed for each qualification that they are submitting.</li> <li>• Produce the 'Summer Grades 2021 Approach to assessment guide'</li> </ul> <p><b>Teachers/ Specialist Teachers / SENCo</b></p> <p>Our teachers, specialist teachers and SENCo will:</p> <ul style="list-style-type: none"> <li>• ensure they conduct assessments under our centre's appropriate levels of control and have sufficient evidence, in line with this Centre Policy and guidance from the Joint Council for Qualifications, to provide teacher assessed grades for each student they have entered for a qualification.</li> </ul>

- ensure that the teacher assessed grade they assign to each student is a fair, valid and reliable reflection of the assessed evidence available for each student.
- make judgements based on what each student has been taught and what they have been assessed on, as outlined in the section on grading in the main JCQ guidance.
- produce an Assessment Record for each subject cohort, within the 'Summer Grades 2021 Approach to assessment guide' that includes the nature of the assessment evidence being used, the level of control for assessments considered, and any other evidence that explains the determination of the final teacher assessed grades. Any necessary variations for individual students will also be recorded.
- securely store and be able to retrieve sufficient evidence to justify their decisions.

**Examinations Officer**

Our Examinations Officer will:

- be responsible for the administration of our final teacher assessed grades and for managing the post-results services.

## Training, support and guidance

This section of our Centre Policy outlines the training, support and guidance that our centre will provide to those determining teacher assessed grades this year.

### **Training**

This section provides details of the approach George Salter Academy will take to training, support and guidance in determining teacher assessed grades this year

- The Senior Leadership Team will review guidance from OAT, OAT Regional lead practitioners, Awarding bodies, JCQ and disseminate information to Middle Leaders and teaching staff
- Heads of Department and teachers involved in determining grades in our centre will attend any centre-based training to help achieve consistency and fairness to all students.
- Heads of Department and teachers will engage fully with all training and support that has been provided by the Joint Council for Qualifications, OAT and the awarding organisations.

### **Support for Newly Qualified Teachers and teachers less familiar with assessment**

This section provides details of our approach to training, support and guidance for newly qualified teachers and teachers less familiar with assessment

- We will provide mentoring from experienced teachers to NQTs and teachers less familiar with assessment.
- We will put in place additional internal reviews of teacher assessed grades for NQTs and other teachers as appropriate.

## Use of appropriate evidence

This section of our Centre Policy indicates how George Salter Academy will give due regard to the section in the JCQ guidance entitled: Guidance on grading for teachers.

<b>A. Use of evidence</b>
<p>This section gives details in relation to our use of evidence.</p> <ul style="list-style-type: none"> <li>• Teachers making judgements will have regard to the Ofqual Head of Centre guidance on recommended evidence, OAT and further guidance provided by awarding organisations.</li> <li>• All candidate evidence used to determine teacher assessed grades, and associated documentation, will be retained and made available for the purposes of external quality assurance and appeals.</li> <li>• We will be using student work produced in response to assessment materials provided by our awarding organisation(s), including groups of questions, past papers or similar materials such as practice or sample papers.</li> <li>• We will use non-exam assessment work (often referred to as coursework), even if this has not been fully completed.</li> <li>• We will use student work produced in centre-devised tasks, over the key stage that reflect the specification, that follow the same format as awarding organisation materials, and have been marked in a way that reflects awarding organisation mark schemes.</li> <li>• We will use substantial class or homework (including work that took place during remote learning), internal tests taken by pupils and mock exams taken over the course of study.</li> <li>• We will use records of a student's capability and performance over the course of study in performance-based subjects such as music, drama and PE.</li> </ul>
<p>We provide further detail in the following areas:</p> <p><b>Additional Assessment Materials</b></p> <ul style="list-style-type: none"> <li>• Over the period March to May 2021 additional assessment materials may be given to students. This opportunity is to show what students know, understand or can do in an area of content that has been taught but not yet assessed.</li> <li>• We will use additional assessment materials to give students an opportunity to show improvement, for example, to validate or replace an existing piece of evidence.</li> <li>• Some subjects will use additional assessment materials to support consistency of judgement between teachers or classes by giving everyone the same task to complete.</li> <li>• We will combine and/or remove elements of questions where, for example, a multi-part question includes a part which focuses on an element of the specification that has not been taught e.g. GCSE English Literature Paper 1, the 19<sup>th</sup> century prose has been omitted for this cohort.</li> </ul>

George Salter Academy will ensure the appropriateness of evidence and balance of evidence in arriving at grades in the following ways:

- We will consider the level of control under which an assessment was completed, for example, whether the evidence was produced under high control and under supervision or at home. The use of our RAG rating system will help to demonstrate this.
- We will ensure that we are able to authenticate the work as the student's own, especially where that work was not completed within the school or college. The use of exam conditions will be applied if appropriate.
- We will consider the limitations of assessing a student's performance when using assessments that have been completed more than once, or drafted and redrafted, where this is not a skill being assessed.
- We will consider the specification and assessment objective coverage of the assessment.
- We will consider the depth and breadth of knowledge, understanding and skills assessed, especially higher order skills within individual assessments.

## Determining teacher assessed grades

This section of our Centre Policy outlines the approach George Salter Academy will take to awarding teacher assessed grades.

### **Awarding teacher assessed grades based on evidence**

We give details here of our approach to awarding teacher assessed grades.

- Our teachers will determine grades, within Go4Schools, based on evidence which is commensurate with the standard at which a student is performing, i.e. their demonstrated knowledge, understanding and skills across the content of the course they have been taught.
- Our teachers will record how the evidence was used to arrive at a fair and objective grade, which is free from bias.
- Our Heads of Departments will produce the 'Summer Grades 2021 Approach to assessment guide' within which an Assessment Record for each subject cohort will be prepared by teachers. Teachers will share this with their Head of Department. Any necessary variations for individual students will also be shared.

## Internal quality assurance

This section of our Centre Policy outlines the approach George Salter Academy will take to ensure internal standardisation of teacher assessed grades, to ensure consistency, fairness and objectivity of decisions.

### Head of Centre Internal Quality Assurance and Declaration

<b>Internal quality assurance</b>
<p>This section gives details of our approach to internal standardisation, within and across subject departments.</p> <ul style="list-style-type: none"> <li>• We will ensure that all teachers involved in deriving teacher assessed grades read and understand this Centre Policy document.</li> <li>• In subjects where there is more than one teacher and/or class in the department, we will ensure that our centre carries out an internal standardisation process.</li> <li>• We will ensure that all teachers are provided with training and support to ensure they take a consistent approach to: <ul style="list-style-type: none"> <li>○ Arriving at teacher assessed grades</li> <li>○ Marking of evidence</li> <li>○ Reaching a holistic grading decision</li> <li>○ Applying the use of grading support and documentation</li> <li>○ Inputting marks into Go4Schools</li> </ul> </li> <li>• We will conduct internal standardisation across all grades using the CPD programme to support staff. We will use FFT data from 2019 to quality assure the TAG for each subject area.</li> <li>• We will ensure that the Assessment Record will form the basis of internal standardisation and discussions across teachers to agree the awarding of teacher assessed grades.</li> <li>• Where necessary, we will review and reflect on individual grading decisions to ensure alignment with the standards as outlined by our awarding organisation(s).</li> <li>• Where appropriate, we will amend individual grade decisions to ensure alignment with the standards as outlined by our awarding organisation(s).</li> <li>• Where there is only one teacher involved in marking assessments and determining grades, then the output of this activity will be reviewed by an appropriate member of staff within the centre or externally via OAT regional lead practitioners. <ul style="list-style-type: none"> <li>○ This will be a teacher from within the department or the SLT link</li> </ul> </li> <li>• In respect of equality legislation, we will consider the range of evidence for students of different protected characteristics that are included in our internal standardisation.</li> </ul>

## Comparison of teacher assessed grades to results for previous cohorts

This section of our Centre Policy outlines the approach we will take to compare our teacher assessed grades in 2021 with results from previous cohorts.

<b>Comparison of Teacher Assessed Grades to results for previous cohorts</b>
<p>This section gives details of our internal process to ensure a comparison of teacher assessed grades at qualification level to results for previous cohorts in our centre taking the same qualification.</p> <ul style="list-style-type: none"> <li>• We will compile information on the grades awarded to our students in past June series in which exams took place (e.g. 2017 - 2019). FFT data will also be used.</li> <li>• We will consider the size of our cohort from year to year.</li> <li>• We will consider the stability of our overall grade outcomes from year to year at George Salter Academy. We will consider both subject and centre level variation in our outcomes during the internal quality assurance process.</li> <li>• We will prepare a succinct narrative on the outcomes of the review against historic data which, in the event of significant divergence from the qualifications-levels profiles attained in previous examined years, which address the reasons for this divergence. This commentary will be available for subsequent review during the QA process.</li> <li>• External review of data will be conducted by OAT. Actions may result as part of this quality assurance review.</li> </ul>
<p>This section gives details of the approach we will follow if our initial teacher assessed grades for a qualification are viewed as overly lenient or harsh compared to results in previous years.</p> <ul style="list-style-type: none"> <li>• We will compile historical data giving appropriate regard to potential mixtures of A*-G and 9-1 grades in GCSEs. Where required, we will use the Ofqual guidance to convert legacy grades into the new 9 to 1 scale.</li> <li>• We will include grades from international GCSEs (for example, in mathematics) because we have previously offered these. We will use FFT and Sisra Analytics data also.</li> <li>• We will bring together other data sources that will help to quality assure the grades we intend to award in 2021.</li> </ul>
<p>This section gives details of changes in our cohorts that need to be reflected in our comparisons.</p> <ul style="list-style-type: none"> <li>• We will omit subjects that we no longer offer from the historical data.</li> </ul>

## Access Arrangements and Special Considerations

This section of our Centre Policy outlines the approach George Salter Academy will take to provide students with appropriate access arrangements and take into account mitigating circumstances in particular instances.

### **Reasonable adjustments and mitigating circumstances (special consideration)**

This section gives details of our approach to access arrangements and mitigating circumstances (special consideration).

- Where students have agreed access arrangements or reasonable adjustments (for example a reader or scribe) we will make every effort to ensure that these arrangements are in place when assessments are being taken. For example extra time, readers and scribes may form part of the provision for students.
- Where an assessment has taken place without an agreed reasonable adjustment or access arrangement, we will remove that assessment from the basket of evidence and alternative evidence obtained.
- Where illness or other personal circumstances might have affected performance in assessments used in determining a student's standard of performance, we will take account of this when making judgements.
- We will record, within our Summer Grades 2021 Approach to assessment guide, as part of the Assessment Record, how we have incorporated any necessary variations to take account of the impact of illness or personal circumstances on the performance of individual students in assessments.
- To ensure consistency in the application of Special Consideration, we will ensure all teachers have read and understood the document: [JCQ – A guide to the special consideration process, with effect from 1 September 2020](#). This will be incorporated into our CPD programme.

## Addressing disruption/differential lost learning (DLL)

### **B. Addressing Disruption/Differentiated Lost Learning (DLL)**

This section gives details of our approach to address disruption or differentiated lost teaching.

- Teacher assessed grades will be determined based on evidence of the content that has been taught and assessed for each student.
- The record of 'Variations for individual students' will be completed as necessary for students.

## Objectivity

This section of our Centre Policy outlines the arrangements in place to ensure objectivity of decisions.

### **Objectivity**

This section gives a summary of the arrangements in place within George Salter Academy in relation to objectivity.

Staff will fulfil their duties and responsibilities in relation to relevant equality and disability legislation.

Senior Leaders, Heads of Department and George Salter Academy will consider:

- sources of unfairness and bias (situations/contexts, difficulty, presentation and format, language, conditions for assessment, marker preconceptions);
- how to minimise bias in questions and marking and hidden forms of bias); and
- bias in teacher assessed grades.

To ensure objectivity, all staff involved in determining teacher assessed grades will be made aware via the CPD programme that:

- unconscious bias can skew judgements;
- the evidence presented should be valued for its own merit as an indication of performance and attainment;
- teacher assessed grades should not be influenced by candidates' positive or challenging personal circumstances, character, behaviour, appearance, socio-economic background, or protected characteristics;
- unconscious bias is more likely to occur when quick opinions are formed; and

Our internal standardisation process which includes the SLT link member will help to ensure that there are different perspectives to the quality assurance process.

## Recording decisions and retention of evidence and data

This section of our Centre Policy outlines our arrangements to recording decisions and to retaining evidence and data.

### **C. Recording Decisions and Retention of Evidence and Data**

This section outlines our approach to recording decisions and retaining evidence and data.

- We will ensure that teachers and Heads of Departments maintain records within Go4School that show how the teacher assessed grades process operated, including the rationale for decisions in relation to individual marks/grades.
- We will ensure that evidence is maintained across a variety of tasks to develop a holistic view of each student's demonstrated knowledge, understanding and skills in the areas of content taught. This evidence may be electronic or in a physical format.
- We will put in place recording requirements for the various stages of the process to ensure the accurate and secure retention of the evidence used to make decisions.
- We will comply with our obligations regarding data protection legislation.
- We will ensure that the grades accurately reflect the evidence submitted.
- We will ensure that evidence is retained electronically or on paper in a secure centre-based system that can be readily shared with our awarding organisation(s). Physical evidence will be retained onsite.

## Authenticating evidence

### **D. Authenticating evidence**

This section of our Centre Policy details the mechanisms in place to ensure that teachers are confident in the authenticity of evidence, and the process for dealing with cases where evidence is not thought to be authentic.

- Robust mechanisms such as high control tasks and the use of exam conditions, will be in place to ensure that teachers are confident that work used as evidence is the students' own and that no inappropriate levels of support have been given to students to complete it, either within the centre or with external tutors.
- Student declarations will be completed in line with exam board requirements.

It is understood that awarding organisations will investigate instances where it appears evidence is not authentic. We will follow all guidance provided by awarding organisations (exam boards and JCQ) to support these determinations of authenticity.

## Confidentiality, malpractice and conflicts of interest

### Confidentiality

This section of our Centre Policy outlines the measures in place to ensure the confidentiality of the grades George Salter Academy determines, and to make students aware of the range of evidence on which those grades will be based.

  - over direction of students in preparation for common assessments;
  - allegations that centres submit grades not supported by evidence that they know to be inaccurate;
  - centres enter students who were not originally intending to certificate a grade in the Summer 2021 series;
  - failure to engage as requested with awarding organisations during the External Quality Assurance and appeal stages; and
  - failure to keep appropriate records of decisions made and teacher assessed grades.
- The consequences of malpractice or maladministration as published in the JCQ guidance: [JCQ Suspected Malpractice: Policies and Procedures](#) and including the risk of a delay to students receiving their grades, up to, and including, removal of centre status have been outlined to all relevant staff.
- Our George Salter Academy Disciplinary policy has been shared with staff.

## Conflicts of Interest

This section of our Centre Policy outlines the measures in place to address potential conflicts of interest.

### **C. Conflicts of Interest**
