

Dear Students,

Welcome to 7C3. You have been placed into CRESCENT house. You will need to ensure that you purchase a YELLOW striped tie to reflect the house that you are in. These can be purchased from our official uniform supplier [www.clivemark.co.uk/clive-mark-bearwood](http://www.clivemark.co.uk/clive-mark-bearwood).

My name is Miss Bains and I will be your Year 7 form tutor. I look forward to meeting each and every one of you and my initial goal will be to help you feel settled and happy in your new school. I will also be joining George Salter Academy in September, so we will be on this journey together and I would like to assure you that even though it is natural to have worries or concerns when you are starting something new, you will be well looked after and do not have anything to worry about. I have been teaching for over 10 years and have taught in both schools and hospital settings. I have plenty of experience and will always listen and care about the day you have had.

As a teacher of Computing, I love computer gadgets and coding challenges. I also like playing games, I love a good game of rounders! In my spare time, I like watching TV, exploring new places and socialising, and eating pizza 🍕 I have 6 nieces and nephews, and one of my nieces is also starting secondary school in September too, so I do understand how you may be feeling. I look forward to finding out more about your hobbies and interests next year too. If you do also like coding challenges, you could visit [www.code.org/learn](http://www.code.org/learn) to have a go at some of the fun games and coding challenges available online.

It is an unusual circumstance to have to send you this letter instead of meeting in person, but I really hope that you have all been keeping safe and well. I hope you have a fantastic end to your primary education and a super summer holiday. I look forward to meeting you in September for what will be, a happy and successful year 7. Until then, keep safe and keep smiling!

Kindest Regards,

Miss Bains
