

Dear students,

Welcome to 7R2! My name is Miss Whitworth and I am so excited to meet you all in September and to be your form tutor throughout your journey at George Salter Academy. I am one of the PE teachers at the Academy and am also the Student Leadership Co-ordinator. September will be the beginning of my fourth year with George Salter and I have loved every minute of teaching here, so cannot wait to welcome all of you to our school community.

You have been placed into **ROYAL** house. You will need to ensure that you purchase a **PURPLE** striped tie to reflect the house that you are in. These can be purchased from our official uniform supplier [www.clivemark.co.uk/clive-mark-bearwood](http://www.clivemark.co.uk/clive-mark-bearwood).

My main role as your form tutor will be to ensure you have the best possible experience, both when you join us and throughout your school career. I will be there for any questions or concerns that you may have and I will endeavour to ensure you feel completely supported at all times. I know it may be a bit daunting starting at a new school, however I promise that you will all feel welcome straight away and we will get to know each other very well. Have a think over the summer of some facts you would like to share about yourself with the form in our first week together!

As a PE teacher, I love sport and thoroughly enjoy teaching students of all ages and abilities. In your first year at George Salter, you will get to take part in a variety of activities within your PE lessons as well as multiple extra-curricular opportunities after school. Over the summer I have set you a fitness challenge at the end of this letter that I hope you will enjoy – I am going to complete it as well and we can discuss all of your achievements when we meet. As the Student Leadership Co-ordinator, I am responsible for the student leadership team across all year groups, including the Prefects and the Student Union in Post 16. There are so many fantastic leadership opportunities you will be able to get involved with when you start and I am incredibly excited to share these with you.

During my spare time, I love being active – walking, running, cycling etc and my favourite sports are Swimming and Lifesaving. I absolutely love outdoor education and my favourite place to go in the UK is the Lake District. I also got a new puppy earlier this year so have enjoyed spending time with her and going on lots of adventures!

I hope you are all safe and well and that you have a wonderful summer - I will be there ready to welcome you all in September.

Best Wishes,

Miss Whitworth

Summer Fitness Challenge: Active in August

There is a calendar below which I would like you to fill in each day you are active throughout August. The challenge is to do at-least 1 active thing per day and this can be anything from walking, running, cycling, swimming, playing in the garden etc! If you bring this sheet back with you in September with your fitness challenges you will receive a prize. Good luck!

*August* 2021

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
