

21st September

Dear Parent/Carer,

Unfortunately, following a fire drill during period 5/6 changeover yesterday we were unable to reset the system.

We made a decision based on safety, to keep all students outside during period 6. Nobody was able to re-enter the building until we knew it was safe to do so.

Whilst the incident was most unfortunate the behaviour of the students was impressive. I am also most grateful to all the staff who handled this difficult moment with professional ease.

We did manage to get the alarms fixed yesterday evening and we were safe to open today as normal.

I am very sorry for any inconvenience that this may have caused.

Yours sincerely

Adrian Price
Principal
