Adrian Price, Principal of George Salter Academy said:

“This is another most unusual results day and comes at, what we hope to be, the end of a difficult and chaotic time. However, I am absolutely thrilled for all those students who have got the results that they needed and wish them all the very best.

“Take pride in your achievements which are very well deserved. We are all aware of the incredible hard work that you have put into your studies during your time with us and want you to know how very proud of you we are.

“We are proud to celebrate the success of our fabulous young people, wish them all the very best in the future and hope that they cherish their very special George Salter memories.”
