PE/ Dance Kit

GEORGE
SALTER
ACADEMY

You will need your PE Kit for every PE and Dance lesson.

- The complete PE kit consists of:
 - Academy PE Shirt
 - Academy PE Shorts
 - Academy PE Socks
 - Academy Sports Jumper
 - Academy jogging bottoms / leggings
- Training shoes – must be suitable for indoors and outdoors / Astro turf.
- Canvas 'pumps' / fashion trainers are not appropriate.

Planners and Equipment

You will be given an Academy planner when you join which you must bring to school everyday along with your equipment.

You can use your planner to record homework, your timetable, your attendance and any other useful information.

You will need to get your planner signed at home every week.

Lunchtime Money

GEORGE
SALTER
ACADEMY

We operate a cashless system when you get your lunch.

As part of your induction process, you will have your finger scanned to create an account for you to put money into.

You will be shown how to put your money into one of the machines, and then at lunch time, you will pay for your lunch by using your finger print.

Your parents can also put money into your account online.

During the Pandemic, lunch has been delivered to students in classrooms- we are not sure what will happen in September, but your Form Tutor will tell you when you start, so you don't need to worry about this.
