1. Introduction

- 1.1. The main aim of this policy is to enable Ormiston Academies Trust to manage hard and electronic records effectively and in compliance with the UK General Data Protection Regulations (UK GDPR). As an organisation we collect, hold, store and create significant amounts of data and information and this policy provides a framework of retention and disposal of categories of information and documents.
- 1.2. Ormiston Academies Trust is committed to the principles of data protection including the principle that information is only to be retained for as long as necessary for the purpose concerned.
- 1.3. The table below sets out the main categories of information that we hold, the length of time that we intend to hold them, and the reason for this.
- 1.4. For information, the tables below set out the legal and other requirements for certain categories of document. Where we have decided to keep information longer than the statutory requirement, this has been explained in the tables in Section 2.
- 1.5. Section 2 of this policy sets out the destruction procedures for documents at the end of their retention period. The Data Protection Officer (DPO) team (dpo@ormistonacademies.co.uk) and academy Data Protection Lead (DPL) shall be responsible for ensuring that this is carried out appropriately, and any questions regarding this policy should be referred to them.
- 1.6. If a document or piece of information is reaching the end of its stated retention period, but you are of the view that it should be kept longer, please refer to The Data Protection Officer (DPO) via the Data Protection Lead (DPL) who will make a decision as to whether it should be kept, for how long, and note the new time limit and reasons for extension.
