The Academy Home-Academy Agreement

The Academy offers its students a caring and supportive environment in which to learn. The ethos of the Academy is underpinned by a commitment to providing equal opportunities for all and a resolve to foster an atmosphere in which each student, as an individual, is respected and encouraged.

It is our aim to enable students to develop self-confidence and an awareness of their personal strengths whilst promoting a firm grasp of their personal responsibilities.

The staff strive to work hand in hand with parents to help all students reach their potential both academically and, importantly, in terms of personal growth.

In accepting this policy, **all users** agree to the following:

1. I will not bring inappropriate material into the academy via external media or downloaded from the internet, neither will I store such material on academy devices nor network shared drives. This includes (but is not exhaustive to):
 - 1.1. Any files or folders containing unsuitable content or offensive language.

4. I will use the Internet responsibly and will not visit websites which may contain materials considered inappropriate.
5. I will not tamper with computer settings or attempt to bypass restrictions put in place for my safety, including the use of proxy's or VPN's to access sites, which have been blocked by the academy.
6. I will not send, display or print offensive or inappropriate messages, images, sounds or videos.
7. I am aware that my online activity at all times should not upset or hurt other people and that I should not put myself at risk.
8. I will not use obscene language in any form of communication.
9. I will not use harassing or threatening language in any form of communication (e.g. the sending of emails).
10. I will not damage the ICT facilities or take ICT equipment from rooms without prior permission.
11. I will only install software and apps on academy devices for which I have permission to do so and the appropriate license is in place.
12. I will not intentionally damage computer software (e.g. by knowingly bringing in a virus on a device and introducing it onto the academy system) and will take preventative measures (e.g. do not open or download any email attachments from email addresses, and more importantly, people you do not recognise).
13. I will not intentionally waste resources (e.g. printing multiple copies of the same document).

In addition **students** also agree to the following:

14. If I see something that makes me feel uncomfortable or worried, I will report it to a Student Welfare Manager immediately and state the name of the website concerned.
15. If I receive a message, image or video I consider inappropriate or that makes me feel uncomfortable, I will not respond to it, but I will save it and report it to a Student Welfare Manager immediately.

25. I will ensure that my personal social network pages are sufficiently protected so as not to allow any parents or students to access personal information, comments or photographs. It is recommended that Facebook pages are set to 'Friends' thus preventing them being viewed by the general public.
26. I will not accept current students on roll as friends on any social networking site (e.g. Facebook, Twitter etc.) as this can leave me open to false claims and put me in a vulnerable position. Staff should also not signpost students to their personal 'YouTube' accounts.
27. I will not use a social network site, the internet or personal blogs etc. in such a manner that the content offends colleagues or brings the academy into disrepute.
