

Dear Parents and Carers,

You will be aware that, as a part of your child's educational experience at George Salter Academy, we aim to promote personal wellbeing and development through a comprehensive taught programme of Personal, Social, Health and Economic (PSHE) education that gives young people the knowledge, understanding, attitudes and practical skills to live healthy, safe, productive and fulfilled lives, both now and in the future. I am writing to let you know that, throughout the year, your child's tutor group will be taking part in lessons which will focus on Relationships and Sex Education (RSE).

Relationship Education Lessons will include pupils learning about: Healthy and unhealthy relationships, different types of families, managing online relationships, menstruation and puberty, self-esteem and romance, consent, contraception, managing conflict, sexual orientation and gender identity, marriage and divorce, sexually transmitted infections, sharing explicit images ('sexting'), the effects of pornography on relationship expectations, body image and gender stereotyping, parenting skills, relationship myths, relationship/domestic abuse, forced marriage.

This is part of our school's PSHE education programme which is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and the governing body. For more detail about our PSHE curriculum offer, please visit the school's website: <https://georgesalter.com/curriculum/pshe> where you can access the PSHE curriculum overview for Years 7 - 13 and our Relationships and Sex Education policy. All teaching in PSHE will take place in a safe learning environment and be underpinned by our school ethos and values. A variety of opportunities will be provided for pupils to ask questions in order to prepare them for relationships in the modern world.

As a school community, we are committed to working in partnership with parents. There will be opportunities throughout the year to find out more about what your child will learn, view the materials and resources being used in lessons and discover how you can best support your child to discuss these topics at home. We will advise you as to when these workshops will take place. You will also receive feedback on your child's engagement with, and understanding of, the programme.

George Salter Academy respects the legal right of parents/carers to request withdrawal of their child from all or part of the Sex Education component of the RSHE programme, except for statutory elements included within the national curriculum for Citizenship, PE, Computing and Science.

For clarity, there are no lessons which are specifically deemed as Sex Education content.

If a parent wishes their child to be withdrawn from the outlined RSE lessons, they should contact Mrs Rukhsar, The PSHE Co-ordinator, I.Rukhsar@georgesalter.com.

Before granting any such request the PSHE Co-ordinator will discuss the request with parents and, where appropriate, with the child to ensure that their wishes are understood and to clarify the nature and purpose of the curriculum. We will document this process to ensure a record is kept.

Yours faithfully,
Principal

George Salter Academy Principal
