

RE: Year 11 and 13 Public Examinations 2025

10<sup>th</sup> April 2025

Dear Parent/Carer,

With this year's public examinations fast approaching, I wanted to provide clear guidance as to how the examination process will work at the academy, including the times of exams and expectations we have of our students during this time.

Students have already been issued with their personalised examination timetable, which also has their designated seat number. I have attached an overview of the exam timetable at the end of this letter. Where possible, morning and afterschool revision sessions will take place to support students. In addition to this, we will be holding masterclass booster sessions prior to examinations. Students will be informed where to go for these sessions.

#### Exam Timings

AM:

- Breakfast provided in the canteen from 8am
- Students are expected on site in the canteen for 8.30am. This is to ensure they arrive in a timely manner for the start of their examinations.
- Students will then attend registration at the usual time and collect their mark
- Students will then line up on the Basketball courts at 8.45am
- AM exams will start at 9am (unless stated otherwise on your child's timetable)

PM:

- Lunch will be at the normal time of 12.50pm
- Students will then line up on the Basketball courts at 1.20pm
- PM exams will start at 1.30pm (unless stated otherwise on your child's timetable)

\* Please note, some exam candidates may have a clash with multiple exams taking place at the same time. In this case, students will be aware of this on their exam timetable. As a result, students may finish much later than the normal school day.

### Student Expectations

- Be in full school uniform for your exams
- Ensure you know your timetable and seat number
- Arrive at the exam venue at the times given above
- To not have any form of communication with anyone when in the exam venue
- To not have a mobile phone, smart watch, or analogue watch in the exam venue
- KS5 students must remove lanyards prior to entering the examination venue
- To return straight to normal timetabled lesson after you have finished an exam

As a school, we are bound by JCQ's (Joint Council for Qualifications) rules and regulations for administering examinations. The following warning must be adhered to by all candidates and will be displayed outside each examination venue. E.g. If a student merely enters a designated examination room with a mobile phone on their person, they are liable to a malpractice investigation. This could lead to disqualification and has done previously.

AQA	City & Guilds	CCEA	OCR	Pearson	WJEC
-----	---------------	------	-----	---------	------

## Warning to candidates

1. You **must** be on time for all your examinations.
2. **Possession of a mobile phone** or other unauthorised material **is not allowed** even if you do not intend to use it. You will be subject to penalty and possible disqualification from the exam/qualification.
3. You **must not** talk to, attempt to communicate with or disturb other candidates once you have entered the examination room.
4. You **must** follow the instructions of the invigilator.
5. You **must not** sit an examination in the name of another candidate.
6. You **must not** become involved in any unfair or dishonest practice in any part of the examination.
7. If you are confused about anything, only speak to an invigilator.

The *Warning to candidates* must be displayed in a prominent place outside each examination room. This may be a hard copy A3 paper version or an image of the poster projected onto a wall or screen for all candidates to see.

Exam Contingency Day

For the 2025 exam series, the awarding bodies have introduced two additional half-day contingency sessions. These are on Wednesday 11 June 2025 and Wednesday 25 June 2025. Pupils must be available at this time. This session would be used in the unlikely event that an exam had to be moved nationally because it could not take place when planned.

Exam Results Days 2025

The examination results days for 2024 are as follows:

A-Level- Thursday 14<sup>th</sup> August

GCSE- Thursday 21<sup>st</sup> August

Further information regarding the timings will be updated on our website closer to the time. Results will be issued to students, in person, on this date. Results will not be given to anyone else, including parents/guardians, without written permission from the student. Any parent/guardian with written permission to collect results, must provide photo ID on results day. Results will not be issued over the phone or by email.

We would like to wish all students the very best during the examination season.

Thanks you for your continued support.

Yours sincerely

Mr G Uppal  
Assistant Principal
