Date: As Postmark

Dear Parent/Carer

Now that your son/daughter has left school, we hope they are clear about their next steps and have a bright future ahead of them.

However, if you or your son/daughter are unsure, we would like to invite you both to attend a 25 minute careers guidance appointment at Sandwell Council House, Freeth Street, Oldbury, B69 3DE **on Tuesday 8 July 4.00pm-7.00pm.**

During the meeting your child will receive high quality independent careers advice and guidance and will be able to talk through their Post 16 Options. Sandwell College, local training providers and our apprenticeship team will also be there to answer any questions you may have.

There are a limited number of appointments available, so please **book** a convenient time slot on 0121 569 2955 or email [sandwell\\_connexions@sandwell.gov.uk](mailto:sandwell_connexions@sandwell.gov.uk).

In addition, we would also like to invite you to the annual **Connexions Careers EXPO** at the SHAPE Youth Festival on **Saturday 12 July 12.00pm-3.00pm** at Sandwell Valley, Salter's Lane, West Bromwich, B71 4BG. This is an opportunity to talk with over 20 colleges, employers, apprenticeship and training providers – all under one giant marquee. Join us for a great family day out. **Book your free ticket** through our website: [www.connexionssandwell.co.uk](http://www.connexionssandwell.co.uk).

We look forward to helping your son/daughter.

Yours sincerely

Subat Khan  
Connexions Area Manager
