

The Update

for Year 7 Parents/Carers

Welcome!

Well, what a week we've had here at George's! Year 7 have been achieving plenty of positive points on Arbor and have definitely settled into their new school life. As I have been round this week, I have seen students hard at work with their learning particularly in maths and art. They have all been following the clear routines in form and getting off to a great start to each day! In PSHE this week, we have been looking at relationships and families and students are thoroughly enjoying this topic. We also held the SEND evening on Wednesday where Mrs Wootton, our SENDCo, invited SEND parents in to meet staff and hear about the different support on offer at the academy. It was lovely to see so many parents attend this evening and we look forward to welcoming more of you into school over the coming months. As part of our work on careers, we have been learning all about T-Levels in assembly and in our Salter Scholar session and the different options available at post-16.

Well done to these students who earned the highest amount of positives last week!

"I was worried about getting lost in the beginning but after a few days I found my way around and now it all feels so familiar."

Subject Shoutout - Computing

This week's subject shoutout comes from Mrs Bissell in Computing.

"A huge shout- out to one of our fantastic students for creating a stunning and beautifully presented online safety poster! The poster demonstrated good understanding of how to stay safe online, as well as great care , creativity and attention to detail. I was so impressed with the quality of the homework that I made a positive phone call home to share the fantastic achievement with their parents. Well done - What a brilliant example of taking pride in your learning!"

Peter Pan by J.M Barrie

It was Friday night. Mr and Mrs Darling were dining out. Nana had been tied up in the backyard. The poor dog was barking, for she could smell danger. And she was right - this was the night that Peter Pan would take the Darling children on the most breath-taking adventure of their lives, to a place called Neverland, a strange country where the lost boys live and never grow up, a land with mermaids, fairies and pirates - and of course the terrible, evil, Captain Hook. Peter Pan is undoubtedly one of the most famous and best-loved stories for children, an unforgettable, magical fantasy which has been enjoyed by generations.
